

INSTRUCTONS TO THE REGISTERED PARTICIPANTS

- IGEN ENERGATHON 2023 is attempting for a World record of “Longest Conference on #SDG7 Affordable and Clean Energy towards Sustainability” , 27th May 2023 (6:45AM to 01:30AM)
- Subscribe to our You Tube Channel IGEN SDGPlus @ <https://www.youtube.com/c/IGENSDGplus>
- Why Subscribing is Mandatory? – It is mandatory because event watch hours will be calculated through submission of your feedback form and cross checking of YouTube (Time of login to Time of logging off)
- Event will start by 6:45AM and end by 01:30AM Midnight
- Following the completion of each session, successful submission of feedback form, participants will receive an e-certificate on 27th May 2023
- While entering all the session feedback form enter the same EMAIL ID , this will help us to find your total number of watch hours
- More than five sessions participants will receive STAR participants certification
- A World Record Certification for #SDG7 will be recommended to participants who watch more than TEN sessions and will be issued after the World Record Community has approved it
- More than 15 session participants will receive IGEN medal and the World Record Attempt Certificate signed by a Padmashri Awardee.
- If you have not yet joined ENERGATHON WhatsApp Community, join now to know all the updates on events @ <https://chat.whatsapp.com/louXr4b59d5ABq3h7Ro0nN>
- Each feedback form will be accepting the response for 10 minutes only
- When entering the watch hours in the feedback form, enter total hours you watched with respect to the time you are entering the form.
- Kindly do not ask about the submission of feedback form in the chat box. It will be posted promptly.
