

## **Instructions to the Participants – How To Achieve World Record Certification**

- **IGEN ENVIRONTHON 2025 – 3rd Edition** - A historic 36-hour global climate action marathon, aiming for a new world record with deliberations on *“Climate Adaptation and Financing to Sustain Harmony with the Five Elements (Panchabhutas)”*. The event focuses on climate change mitigation, aligns with the UN SDGs, and will deliver actionable recommendations for COP30.
- IGEN ENVIRONTHON certified by the Limca Book of Records (LBR) and the World Book of Records London (WBR) and attempting new world record in 2025.
- Subscribe and watch the MARATHON @ You Tube Channel IGENS DGPlus @ <https://www.youtube.com/c/IGENS DGplus> . Why Subscribing is Mandatory? – It is mandatory because event watch hours will be calculated through submission of your feedback form and cross checking of YouTube (Time of login to Time of logging off)
- The MARATHON begins on 13th September 2025 at 10:00 AM (IST) and runs non-stop for 36 hours, concluding on 14th September 2025 at 10:00 PM (IST).
- The 36Hrs minutes of IGEN ENVIRONTHON 2025 are divided into EIGHT modules (M-Modules), each aligned with a specific ELEMENT and COP30. Participation certificates will be issued per module, and the certificate link will be shared at the beginning and end of each module as mentioned timing in the below table. The link will remain live for 15 minutes, and one valid submission per module is sufficient to receive the corresponding certificate.
